22/12	**3. REPORTS FROM THE COUNTY AND DISTRICT COUNCILLORS**: Lynden Stowe Gloucestershire County Councillor, absent **District Councillor Tom Stowe reported:** The last Council Meeting was the Budget meeting on Wednesday 16th Feb. The Budget was vigorously debated on all sides with particular concerns about the increase in parking costs and removal of the Free after 3.00 in Cirencester, Tetbury and Moreton as well as the transfer for the responsibility for the costs of by-elections onto Town and Parish Councils. Both Conservative amendments to reverse these proposals were defeated as the LibDem administration determined to increase their revenues by making the changes to parking costs and asking Town and Parish Councils to increase their precepts to cover the costs of future by-elections. Budget was passed by 18 votes to 11. The revised Local Plan is now up for consultation - it is open to 20th March Constituency Boundaries review is ongoing – PC to look at have your say survey. Planning closing dates raised as an issue. Further investigation into this. From report given by District Councillor Gina Blomfield I am delighted that Tom Stowe will be my new joint councillor for the Campden and Vale ward and I know he will be a diligent councillor and together we will represent the interests of all residents across the ward.
