

Update on, Planning, CIL, Footpaths/stiles, Recreation Ground.

01 July 2026

Planning.

Nothing new on the Portal.

CIL. No outstanding payments due.

Top Farm development there will be a payment due once the conversion on the agricultural barn commences.

Recreation Ground. Footpath and stiles.

I am slowly returning to full mobility and should be in a position to check them all out in the coming weeks.

James, have you arranged the filling in of the holes ?

Any news from Cotswold Wardens on stoning the path to the Lynches ?
