

Report back RCR July 2026

5.0 The Santander bank account operation has been transferred from Lucy to RCR . Payments statements etc are all available to the clerk on request. In June a notice was received that the cost of the account will rise monthly form £15 to £30. This enhances the desire to move to Barclays as per prior council record

5.1 Barclays are in the process of issuing the new allotment account and playing field account, we will then move to start the council move process which will be longer as all council members are likely to be in the sign off process for account opening

6.1.3 CCTV , No requests received in the month. Supplier notified and transfer old Chairman to RCR underway but requires the correct app for RCR Iphone

6.2.2

No pre planning reviews received , anyone planning an application is invited to approach the council in advance so as to seek input and understanding

6.3.1

The village hall committee is looking at the future of the web site - ongoing

6.4.4 WSE Heritage

The renovation of the site is ongoing with priority to road access areas and the removal of invasive thorn bush and cut tree debris. The website is nearing completion and will be launched in Q3 2026.

During the Month Jakes plot (b) came on an auction site . WSE made an appropriate offer of the original purchase price plus £2500 for fees. This was initially indicated as acceptable by the owner , he later in consultation with the auction house declined to accept.

It is understood that the auction failed to receive an opening bid.

A watch and wait brief is therefore in operation

This round of negotiation further shows the need for a serious round of fund raising to allow the CIC to approach all owners and secure the parcels of land

6.4.5 Hedges and Verge Maintenance

The Verges on Church street have had a first cut from the council. it is planned to improve the area outside the church with a hand cut service to commence soon. The contractor smart cut to be contacted to obtain a quote in July
